Report of workshop on “Pathway to Internship & Beyond”

DATE: 13th September 2025.

EVENT: TIME: 10:30 am

MODE: Online

ORGANIZED BY: Computer Engineering Dept.

FACULTY INCHARGE: Mrs. Priyanka Vankar.

The computer engineering department conducted a one day online workshop on “Pathway to Internship & Beyond” for computer students by Expert Speakers Mr. Kapil Narula and Mr. Mahesh Raut from Reunty Services LLP 13th September 2025. This workshop was conducted. The workshop focuses on internship awareness, skill building, resume preparation, interview readiness, workplace skills, and career growth.

A total of 66 students got the advantage of this workshop.

In this workshop covered following points

1. Introduction to Internships :What is an internship and why it is important
2. Career Awareness & Goal Setting:Identifying career interests and strengths
3. Skill Development for Internships:Technical skills required by industry
4. Resume & Profile Building:How to prepare an effective resume
5. Finding Internship Opportunities:Internship platforms (LinkedIn, Internshala, Indeed, company websites)
6. Interview Preparation ;Internship interview process
7. Workplace Readiness :Professional ethics and workplace behavior
8. Performance During Internship :How to make the most of an internship
9. From Internship to Career: Converting internship into full-time opportunity

The session was interactive and informative, allowing students to clarify their doubts and gain practical insights into the internship process. Overall, the workshop was successful in motivating students to actively pursue internships and plan their career paths more effectively.
