#### **Sub: APPOINTMENT LETTER OF EMPLOYMENT AS – ENGINEER**

Dear **Mr. OMKAR D. HELEKAR**

Following our recent discussions, we are delighted to offer you the position of Engineer with *Our Organization*. You will be aware that *Our Organization* "ACME" started in the year 2000, within a short time has become a well known BRAND in India and its name has become synonymous for providing "Quality" services in the field of Condition Monitoring Services. We are glad to say that we are expanding our activities in the Middle East region with Office in Saudi Arabia.

If you join *Our Organization*, you will become part of a fast-paced and dedicated team that works together to provide our clients with the highest possible level of service and advice.

As a member of *Our Organization* team, we would ask for your commitment to deliver outstanding quality and results that exceed client expectations. In addition, we expect your personal accountability in all the actions, advice and results that you provide as a representative of *Our Organization*. In return, we are committed to providing you with every opportunity to learn, grow and stretch to the highest level of your ability and potential.

We are confident you will find this new opportunity both challenging and rewarding. The following points outline the terms and conditions we are proposing.

Title: Engineer

**Job description: Engineer**

W. e. f : Date of Joining

Other Terms and conditions of our organization are attached herewith in the Annexure)  
This arrangement may be terminated by either party upon notice in writing to either party with notice that complies with Employment Standards (or Labour Standards) of India.

We look forward to the opportunity to work with you in an atmosphere that is successful and mutually challenging and rewarding.

Sincerely,

For Aswartha Condition Monitoring Engineers,
