To,
HOD
All Departments

Subject: Grievances of the students received during mentoring in the month of October 2017.

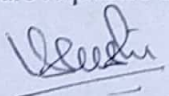

Dear Sir,

Most of the Grievances of the students received through mentoring held in the month of October are related to Wi-Fi facility, maintenance of water cooler & purifier, supply of hot water, food quality of mess, bus facility and housekeeping at hostel. In this regard students are informed to take note of the following things with respect to their grievances about the various facilities and services.

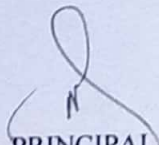

- 1. Wi Fi facility:-** Due to heavy lightning in the month of October (02/10/2017) WiFi devices got damage due to burning of the inside electronic components. The same were sent for repair and are expected to get repaired within a weeks time. During this period internet facility was made available in the computer lab of MMS department with 30 computers.
- 2. Water quality:-** The water supplied to the hostels for drinking purpose is obtained from bore well. Hence there are no chances of contamination of the same. This water is already tasted in Government laboratory at Ratnagiri and is found to be potable.
- 3. Cooler and filter maintenance:-** The periodic maintenance of cooler and filter is carried out as per the requirement. The Record of the same is maintained in a log book.
- 4. Hot water supply:-** In addition to solar water heater, electric geysers are fitted in all hostel buildings.
- 5. Food quality of mess:-** Warning has been given to all mess contractors regarding quality of food. Hostel and mess committee is taking follow up of the same. Students are informed to report immediately to the committee members as and when they found the poor quality of food.
- 6. Cleaning:-** Regular cleaning of corridor, bathrooms and toilet is carried out. However it has been noticed that students are not keeping their rooms clean.
- 7. Transportation facility:-** Taking into consideration students problems about transportation, Management had taken the initiative to provide bus facility from Ambav to Devrukh. The notice regarding the same was circulated to all students on 27/08/2016 for enrolling their names. However no student was found to be interested in availing the facility.

It is further informed to all the students that before registering the complaint to GRC, they should first approach to the concerned authority. If it is not taken care the same can be reported to GRC.
It is further informed to all the students to use separate application for each type of omplaint/grievance

HOD's are requested to inform the same to all the students through their mentor.
