Hello Sir,

Greetings from The Intellect Technologies!

It was a pleasure to talk with you.

As per our conversation, The Intellect Technologies would like to share with you the Project oriented Training Syllabus of Internet of Things and Python.

The Intellect Technologies has been contributing in the Education sector for the last 5 years.

We Organize, Trainings (STTP and FDP), Industrial training and Project development, Workshop on the technologies like Python, Java, Machine Learning, Android App development, Internet of Things, Virtual Reality and Augmented Reality etc. in various technical campuses in India.

This workshops and Trainings are completely practical oriented and help students to think out of the box while building their project by using new technologies.

The Intellect Technologies have conducted more than 100 workshop and Training across India along with Project Based Learning. We have also Started Providing MSBTE approved industrial Training & AICITE approved STTP Program .

Looking forward for your response.

Have a Great Weekend !!!

For More information please visit our website: www.theintellecttechnologies.com

Thank you,

Best Regards,

Rahul Gupta,

Co-Founder & MD
