Students Mentoring Report

Mentor: Mr. S. D. Dethé

Department: Applied Science

Class: FE

Month: March

SEM: II

Year: 2018-19

Sir,

The highlighted points of the discussion with the students in first meeting of mentoring (SEM II) are as follows:

Students feedback related to all subject teachers is satisfactory. Some Students need more time for CAD – CAM practical sessions.

1. Performance of the students in University Examination – SEM I held in December 2018 has been discussed thoroughly. Due to lack of time management & poor preparation, most of the students do not perform in University Examination – SEM I. Some of the students have confidence about improvement in result after revaluation. All-clear students are motivated to improve their performance in the next examinations.
2. Performance of the students in First Internal Exam. – SEM II held in March 2019 has been discussed thoroughly. Due to lack of time management & poor preparation, most of the students do not perform well in some of the subjects.
3. Some of the students require remedial classes for subjects like BEE and EM.
4. Students' feedback related to hostel & mess facilities is also satisfactory.

This is for your kind information.
